Public Mechanics

Student edition, November 2026

How to sign up

1. Choose one entry from the **Directory of Departments and Agencies**: a department, an outside agency or a resident group.
2. Write your name next to it. One person per entry.
3. If it is taken, choose another. There are 27 entries and fewer students.

The instructor plays every blank entry, answering requests, setting conditions and refusing as a student owner would.
