Sign-up Sheet

Claim your department, agency or resident group

Public Mechanics
Student edition, November 2026

How to sign up

1. Read the **Directory of Departments and Agencies** and choose one entry.
2. Write your name next to it. **One person per entry.**
3. If your first choice is taken, choose another. There are 27 entries and fewer students.

The instructor speaks for every entry left blank. Unclaimed departments and agencies still take part. They answer requests, set conditions and refuse, just as a student owner would.

You may claim an outside agency or a resident group instead of a city-county department. Outside agencies are encouraged: they decide whether to join the system, so they shape the spec.

- one other entry you must work with, and one that might refuse.

The Municipal Project Brief (Reading 4) explains the full assignment.
